Lesen Sie vor der Inbetriebnahme die Betriebsanleitung Ihres Gerätes und beachten Sie besonders die Sicherheitshinweise.

Please read the operating instructions for your machine before using it, and pay particular attention to the following safety instructions.

Prima della messa in funzione leggere il manuale d'uso dell'apparecchio e attenersi in particolare alle norme di sicurezza.

Avant la mise en route de l'appareil, lire les instructions de service et respecter tout particulièrement les consignes de sécurité.
